

Hello Everyone,

It's that Wonderful Time of the Year when we get to order our 2016 SCC Kits!! We have a great new design for our club's 10th anniversary. We are using Castelli again this year and you will order your kit directly from their website (see link below). Returning users can simply login with their existing userid/password and new users will need to create an account. Once you are logged in, go to the "Projects" tab to begin your order. All orders will be shipped to SCC and will be distributed later (probably from the Trek Store).

Kits are for MEMBERS ONLY so if you haven't joined/renewed, please do so right away! Don't delay, we are closing the order on MARCH 19 so please get your order in so we can get our kits before spring is over! This year for our 10th anniversary members will receive their \$25 membership fee back by way of a discounted kit.

Please let us know if you have any questions about the order.

Thanks,

David Mills
